[Nobel Peace Prize for Father Alfred Boeddeker, O.F.M.]

URGING THE NOBEL PRIZE COMMITTEE TO AWARD THE NOBEL PRIZE FOR PEACE TO FATHER ALFRED BOEDDEKER, O.F.M.

WHEREAS, Father Alfred Boeddeker, O.F.M., has devoted his life and work, and his seemingly inexhaustible talents and energies, to the nurture and care of the needy poor in the United States, and in Central and South America; and

WHEREAS, Father Boeddeker has been instrumental in the conception, planning, development, implementation, and continued operation of such worthy and worthwhile projects as La Casa de Los Pobres in Tia Juana, Mexico; St. Anthony's Dining Room and Medical Clinic in San Francisco, California; and Villa Nazareth in Higuey, Santo Domingo (Dominican Republic); and

WHEREAS, La Casa de Los Pobres, founded by Father Boeddeker in 1945, contains a free school for grades one through twelve, and offers the students an opportunity to escape the destructive influences of the slums, to develop a sense of achievement and self-respect, and to find jobs outside of the barrios; contains a dining room that served more than 75,000 free hot meals last year, delivers approximately 25,000 sacks of food to the the lame and bedridden annually, and is conservatively estimated to have distributed more than five million free meals since 1945; and contains a medical and dental clinic that treats almost 17,000 patients annually, free of charge; and

WHEREAS, St. Anthony's Dining Room, founded in 1950 and locally and nationally known as the "Miracle of Jones Street," served almost 800,000 free meals to the needy and homeless last year, and over 17 million meals during its 36-year existence; and

/ / /

WHEREAS, St. Anthony's Medical Clinic represented the only free medical services available to the poor in the Tenderloin and South of Market neighborhoods between 1957 and 1977; served as the center for pioneering treatment of tuberculosis and related diseases in its early years; and was expanded into a freely-equipped, free-community medical clinic in 1978 that currently treats over 15,000 patients annually; and

WHEREAS, The Villa Nazareth project, which Father Boeddeker instituted in 1965 after viewing the wretched conditions of the poor living in the slums at the edge of Santo Domingo, is a grouping of seventy furnished, three-bedroom dwellings that has now sheltered over two generations of needy families; and

WHEREAS, In addition to these projects throughout the Americas, Father Boeddeker has served as a shining example to countless others dedicated to meeting the needs of the poor, and has provided technical assistance and organizational and financial advice to workers from other agencies seeking to establish feeding and medical programs, such as the St. Martin de Porres feeding program in San Francisco's Mission District; the Loaves and Fishes feeding program in Contra Costa County, California; the Knights of Malta Medical Clinic in Los Angeles, California; St. Elizabeth's Medical Clinic in Oakland, California; an out-of-hospital treatment program for lepers in Nicaragua; and a rural medical center for the poor in Darios, Nicaragua; and

WHEREAS, Father Boeddeker would be the last person to seek, but nonetheless deserves to be honored for these achievements so that his dedication to the poor and needy and good works for all humanity may be known throughout the world and serve as a role model for the youth of the world to whom the torch of service will soon be passed; now, therefore, be it

[Political Endorsements]

OPPOSING A.C.A. 7, WHICH WOULD PROHIBIT POLITICAL PARTIES OR PARTY CENTRAL COMMITTEES FROM ENDORSING OR OPPOSING CANDIDATES FOR NONPARTISAN OFFICE.

WHEREAS, Article II, Section 6 of the California Constitution presently states that judicial, school, county and city offices shall be nonpartisan; and

WHEREAS, The California Supreme Court has held that Section 6 does not prohibit political parties from endorsing, supporting or opposing candidates for nonpartisan office; and

WHEREAS, A.C.A. 7 would amend Section 6 to prohibit political parties or party central committees from expressing such endorsement, support or opposition; and

WHEREAS, At least three federal district courts have held similar statutory provisions unconstitutional for denying political parties their First Amendment rights of freedom of speech and of association; and

WHEREAS, A.C.A. 7 would not prohibit various other political or special interest groups from expressing their opinions on the qualifications and fitness of candidates for nonpartisan offices; and

WHEREAS, The federal courts have indicated that the legitimate state interest in maintaining the integrity of the electoral process may not be asserted in such a constitutionally objectionable manner, but must be narrowly drawn to closely fit the Legislature's desired objectives in the least restrictive fashion; now, therefore, be it

RESOLVED, That the Board of Supervisors hereby expresses its opposition to the passage of A.C.A. 7, which is an overly broad attempt to curtail the political activities of certain groups while leaving others completely unfettered; and, be it

REQUESTING HER HONOR, THE MAYOR, TO URGE THE DEPARTMENT OF PUBLIC WORKS TO SUBMIT A REQUEST FOR A SUPPLEMENTAL APPROPRIATION FOR THE SPECIFIC AMOUNT WHICH WOULD BE REQUIRED TO RELOCATE THE EMPLOYEE CAFETERIA FROM THE BASEMENT TO THE FIFTH FLOOR OF CITY HALL, ~~WHICH COSTS ARE TO BE RECOVERED FROM A CONCESSION OR LEASE OF THAT SPACE~~.

WHEREAS, An employee cafeteria, also known as Joe's Snack Bar, is currently operated by Joe Smith under the auspices of the State Rehabilitation Program for the Blind, and is located in Room 54, City Hall; and

WHEREAS, Room 54, which was partially at one time an elevator shaft, is a windowless, stuffy, oppressively warm room located in the basement of City Hall; and

WHEREAS, Room 54 is located directly across from the room where refuse is stored and from which disagreeable odors are emitted into the employee cafeteria, aggravating the already poor ventilation problem; and

WHEREAS, Room 54 has a continuing pest control problem which is likely related to its nearness to the refuse storage site located directly across the hallway; and

WHEREAS, Smoking is allowed at all tables in the employee cafeteria, further deteriorating the redolent air and leaving no seating available for non-smokers; and

WHEREAS, The present cafeteria contains only 13 tables with a total seating capacity of 66; and

WHEREAS, There are often long lines queuing up to purchase food items and, frequently, no seating is available in the cafeteria; and

WHEREAS, There are thousands of civil service and court employees, judges, jurors, attorneys, residents and tourists who frequent City Hall every day, many of whom use the employee cafeteria; and

WHEREAS, There is practical and available space located on the roof of City Hall; and

WHEREAS, This space would provide a large, clean, bright, airy, well-ventilated, appealing and civilized place for persons to procure nourishment and relax; and

WHEREAS, The Board of Supervisors considers such a location to be a much better location for an employee cafeteria than the current site in Room 54; now, therefore, be it

RESOLVED, That the Board of Supervisors requests her Honor, the Mayor, to urge the Department of Public Works to submit a request for a Supplemental Appropriation for the specific amount which would be required to relocate the employee cafeteria from the basement to the fifth floor of City Hall, ~~which costs are to be recovered from a concession or lease of that space~~.

FILE NO. 12-86-4 RESOLUTION NO. 68-86

RESOLUTION SUPPORTING THE PASSAGE OF SB 1220, THE CALIFORNIA LIBRARY CONSTRUCTION AND RENOVATION BOND ACT OF 1986.

WHEREAS, Studies have documented the critical need for reconstruction of a new main library in San Francisco, due to the dangerously overcrowded conditions of catalogued volumes and documents and consequently high operating costs and inefficient use of staff and facilities; and,

WHEREAS, Cost and building evaluations have been conducted which have prompted the preparation of a master plan for a new library that would not only meet requirements for educational and cultural uses, but also provide, as a library resource, access to telecommunication and computer-generated information into the 21st Century; and,

WHEREAS, Efforts, on behalf of the Public Library, are underway to secure private foundation funding for the library reconstruction project; and,

WHEREAS, The new main library will provide 300,000 square feet plus two levels below grade parking at its proposed on Marshall Square at an estimated 1985 cost of $45 million dollars; and,

WHEREAS, SB 1220 has been introduced by Senator Keene which would enact the California Library Construction and Renovation Bond Act of 1986 to authorize state bonds for construction and renovation of library facilities; and,

WHEREAS, If approved by the governor, the bond issue would be presented to voters on the June 1986 primary election ballot for their adoption; and,

WHEREAS, Because the construction needs of public libraries throughout the state have been deferred by local governments in view of fiscal constraints, it is imperative that SB 1220 be signed by the governor at the $300 million dollars bonding level to make sufficient funding available on a statewide basis; and,

WHEREAS, In San Francisco, the bonds would be used to assist in remedying the existing unsafe and inefficient public library facility, along with matching funds; now, therefore be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco supports the passage and urges the Governor of California to sign SB 1220 at a $300 million dollars bonding level.

RESOLUTION NO. 78-86

RESOLUTION SUPPORTING THE RENEWAL OF GENERAL REVENUE SHARING AND THE DEVELOPMENT OF A RESPONSIBLE, EQUITABLE STRATEGY TO DEAL WITH THE FEDERAL BUDGET DEFICIT AND NATIONAL DEBT CRISIS, AND THE RETENTION OF OTHER VITAL LOCAL GOVERNMENT PROGRAMS.

WHEREAS, The President of the United States has submitted his proposed budget for federal fiscal year 86/87; and,

WHEREAS, It is in the interests of all Americans that the Federal budget deficit that has led to interest payments alone on the national debt costing $150 billion annually be reduced; and,

WHEREAS, The President's proposed budget would cut domestic spending by $25 billion, while increasing military spending by $15.9 billion; and,

WHEREAS, It is unreasonable to attack this problem through domestic cuts alone, which will negatively impact the cities, towns, farms and lives of all Americans; and,

WHEREAS, These and other cuts will significantly impact all San Franciscans, whether they be direct recipients or beneficiaries of these programs or not; and,

WHEREAS, This proposed budget calls for the elimination of Urban Development Action Grants (UDAG), which over the last five years have provided San Francisco with $17.8 million to leverage $89 million in development, thereby creating 2,300 jobs; and,

WHEREAS, This proposed budget would cut funding for Community Development Block Grants (CDBG) by $500 million, which will result in decreased funding for the 130 community and social service organizations currently served in San Francisco by this program; and,

WHEREAS, This proposed budget calls for the elimination of General Revenue Sharing, which has provided approximately $4 billion nationally and $21 million locally on an annual basis to help fund many important services to the American people; and,

WHEREAS, In San Francisco, this $21 million has been divided between four departments--Fire, Police, Recreation and Parks, and MUNI--to the benefit of all San Franciscans; and,

WHEREAS, These domestic cuts would reduce Aid to Families with Dependent Children (AFDC) by $800 million, would abolish the Small Business Administration, and cut Federal aid for Highways by $900 million; and,

WHEREAS, Revenue estimates by the Federal government have consistently fallen short of revenues received; and,

WHEREAS, The constitutionality of the Gramm-Rudman-Hollings Deficit Reduction Act has been called into question; and,

WHEREAS, In light of this, Congress and the White House should take action to explore other alternatives, reducing unnecessary and wasteful military spending, and avenues to increase revenues for the Federal budget, as part of a balanced, prudent, responsible approach and strategy for dealing with budget deficits; now therefore be it,

RESOLVED, That the Board of Supervisors of the City and County of San Francisco salutes the House Budget Committee and our own representative on that Committee, Barbara Boxer, for holding its hearings in San Francisco and four other cities so that the American people have the opportunity to express their opinions on and become aware of the ramifications of the proposed budget; and, be it

FURTHER RESOLVED, That the Board of Supervisors urges the Mayor to accept the House Budget Committee's invitation to testify on behalf of San Francisco, and, be it

FURTHER RESOLVED, That the Mayor convey in her testimony the belief and support of the Board of Supervisors that the Federal government should not dismantle vital local government programs like General Revenue Sharing, the critical component of the partnership

that does and should continue to exist between Federal, State and Local governments; and, be it

FURTHER RESOLVED, That the Mayor urge the members of the House Budget Committee to return to Congress and work to develop an equitable approach to reducing federal budget deficits, with a plan that includes new revenues; and be it

FURTHER RESOLVED, That copies of this resolution be sent to the other members of the California Congressional delegation, the members of the House and Senate Budget Committees, and the President of the United States.

Gramm Rudman

URGING HER HONOR THE MAYOR TO URGE THE CONGRESS OF THE UNITED STATES TO EXERCISE DUE DILIGENCE, CAUTION, AND GREAT DISCRETION IN THE IMPLEMENTATION OF BUDGET CUTS MANDATED BY THE GRAMM-RUDMAN LEGISLATION.

WHEREAS, The budget slashing legislation commonly refered to as the Gramm-Rudman law passed Congress and was signed into law by the President of the United States in December, 1985; and,

WHEREAS, When implemented, Gramm-Rudman will cause millions and millions of dollars to be summarily deleted from numerous domestic programs; and,

WHEREAS, It has been confirmed that this important and potentially catastrophic legislation was not subjected to or deliberated upon through the usual Congressional legislative committee process; and,

WHEREAS, Without adequate deliberation, study, and debate on such a major piece of legislation it can be assumed that the multitude of adverse effects of the Gramm-Rudman Law were not adequately addressed by the Congress;and,

WHEREAS, It has recently been demonstrated that the Gramm-Rudman Law will create fiscal havoc in many municipalities in the United States; and,

WHEREAS, The City of San Francisco, many community based programs, the City's transportation system, and other operations directly effecting the quality of life for many San Franciscans will be drastically decimated; and,

WHEREAS, The the United States Federal Court recently ruled that the so-called "trigger" procedure in the Gramm-Rudman Law, a procedure that would have provided automatic, across the board cuts from various programs administered by the Office of the Comptroller General, has been ruled unconstitutional; and,

WHEREAS, If the Supreme Court of the United States upholds the unconstitutional ruling Congress will then be provided with the opportunity to deliberate, study, and rightfully pass judgment upon all the proposed budget cuts mandated by the Gramm-Rudman Law; therefore be it,

RESOLVED,That it is the policy of the City and County of San Francisco to urge Congress to carefully review all the budget cut proposals, and utilize discretion and extreme caution in the process of approving any and all of the provisions of the Gramm-Rudman Law; and be it,

[Community Development Block Grant Deferral]
URGING HER HONOR THE MAYOR TO URGE CONGRESS TO REPEAL 16% FUNDING DEFERRAL ORDER OF COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS.

WHEREAS, The Community Development Block Grant Fund has been a viable and successful means by which various community organizations have received funding for numerous meritorious projects; and

WHEREAS, The Community Development Block Grant Fund has already been subject severe cut-backs in prospective funding for the coming fiscal year; and

WHEREAS, The impending devastating effects of the Gramm-Rudman Budget Deficit Act promises even more drastic cuts in not only the CDBG funding, but monies that have traditionally flowed to many of our public, domestic programs; and

WHEREAS, The Congress of the United States has mandated that the Community Development Block Grant Fund incur an even greater hardship in that the CDBG has been instructed to defer reciept of approximately 16% of their expected, and already budgeted and allocated funding for community groups for the coming fiscal year; and

WHEREAS, The additional 16% deferral will increase the loss of funds to the CDBG for the current funding period to an unreasonable 32%; and

WHEREAS, The deferral will cause the already depleted operating budgets of many recipients of CDBG's to be cut further; and

WHEREAS, The application of the deferral order will necessarily cause excessive hardships on the funded organizations and prevent them from effectively providing community service; now therefore be it

RESOLVED, That it is the policy of the City and County of San Francisco to support the repeal of the Congressional Order to defer 16% of the 1986 CDBG funds, and be it

(Traffic Study)

URGING THE CHIEF ADMINISTRATIVE OFFICER TO DIRECT THE DIRECTOR OF PUBLIC WORKS TO STUDY THE LOCATION OF YELLOW ZONES IN THE DOWNTOWN AREA, TO STUDY THE PROBLEMS OF CONGESTION IN THE DOWNTOWN AREA AND TO REPORT TO THE BOARD OF SUPERVISORS WHETHER COMMERCIAL VEHICLES OR LOADING AND UNLOADING OF FREIGHT SHOULD BE PROHIBITED IN THE DOWNTOWN AREA AND URGING THE MAYOR TO REQUEST THE POLICE COMMISSION TO IDENTIFY, WITH THE HELP OF THE DEPARTMENT OF PUBLIC WORKS, INTERSECTIONS IN THE DOWNTOWN AREA NEEDING TRAFFIC CONTROL OFFICERS, TO ESTABLISH A PROGRAM WITH OTHER CITY DEPARTMENTS TO PROMOTE TRAFFIC FLOW IN THE DOWNTOWN AREA AND TO DIRECT THE CHIEF OF POLICE TO INSURE VIGOROUS ENFORCEMENT OF LAWS PROHIBITING DOUBLE PARKING AND UNLAWFUL USE OF LOADING ZONES.

WHEREAS, Traffic congestion in the Downtown Area has been increasing over the past 10 years; and

WHEREAS, This Downtown Area includes that area of the city known as the Metropolitan Traffic District and is bounded generally by Broadway, Powell, Sacramento, Taylor and Pine on the north, Gough and Market Street on the west, Duboce and Division Street on the southwest, Townsend Street on the south and the Embarcadero the east, as more fully set forth in Section 3-a, Chapter XI, Part II, San Francisco Municipal Code (Traffic Code); and

WHEREAS, This congestion has become so serious that intersections in many areas of the Downtown Area are often at or near gridlock and streets are so clogged with vehicles that traffic is at or near a standstill; and

WHEREAS, This congestion has become so serious that it seriously impedes the overall ability of the Municipal Railway to operate in a timely manner; and

WHEREAS, This congestion threatens to hamper the ability of businesses in the area to attract customers and to serve clients; and

WHEREAS, This congestion threatens to impair the ability of employees to return home from work; and

WHEREAS, This congestion is exacerbated by commercial delivery vehicles that cannot find unloading zones and therefore doublepark or continually circle around the blocks until a space is available; and

WHEREAS, Traffic congestion in the Downtown Area reaches such a point during the afternoon rush hour that signals to control intersections are inadequate. Cross traffic is often unable to clear the intersection, thus preventing traffic from moving on a green light and creating a gridlock; and

WHEREAS, There is a need for individualized attention at the most congested intersections by experienced traffic control personnel during the afternoon rush hour; and

WHEREAS, It is necessary that the City and County of San Francisco coordinate and integrate the resources of transit police, motorcycle police, traffic control police, traffic control officers and all other City agencies and facilities that have authority or responsibility for insuring the smooth flow of traffic; therefore, be it

RESOLVED, That the Board of Supervisors urges the Chief Administrative Officer to direct the Director of Public Works to conduct a study of the downtown area for the purpose of determining whether there are adequate yellow zones in the downtown area and, if there are not, to make recommendations to

the Board of Supervisors, through the Chief Administrative Officer, regarding numbers and placement of additional yellow zones and regarding any other policies that could improve the capability and use of yellow zones to provide space for delivery vehicles and ensure the free flow of traffic; and be it

FURTHER RESOLVED, That the Board of Supervisors urges the Chief Administrative Officer to direct the Director of Public Works to conduct a study of the problems of congestion in the downtown area and to make a report and recommendation to the Board of Supervisors, through the Chief Administrative Officer, on whether there is a need to prohibit commercial vehicles or the loading and unloading of vehicles in the downtown area during any specified hours of the day and to transmit to the Board of Supervisors appropriate legislation to implement the department's recommendations; and be it

FURTHER RESOLVED, That the Mayor is urged to request the Police Commission to conduct a study in conjunction with the Department of Public Works for the purpose of identifying (40) forty or more congested intersections in the downtown area that need traffic control officers on a regular basis to direct traffic and facilitate the flow of vehicles; and be it

FURTHER RESOLVED, That the Mayor is urged to request the Police Commission to establish a program in conjunction with the Department of Public Works and other responsible City agencies to coordinate and integrate those city resources devoted to the promotion of the efficient and unimpeded flow of traffic in the downtown area and to deploy personnel to provide the needed traffic control; and be it

/ / /

FURTHER RESOLVED, That the Mayor is urged to request the Police Commission to direct the Chief of Police to insure that the Police Department is vigorously and effectively enforcing laws prohibiting double parking of vehicles and the unlawful use of zones that are reserved for loading vehicles.

(COMMUNITY DEVELOPMENT BLOCK GRANT DEFERRAL)

AUTHORIZING THE MAYOR, ON BEHALF OF THE CITY AND COUNTY OF SAN FRANCISCO, TO JOIN THE LAWSUIT OF "NATIONAL LEAGUE OF CITIES ET AL v. PIERCE" AS A PLAINTIFF TO REPEAL THE ORDER OF DEFERRING $500 MILLION COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) FUNDS FROM FY86 TO FY87 AS PROPOSED BY PRESIDENT REAGAN.

WHEREAS, The President has proposed deferral of budget authority (Deferral No. D-86-48) for Community Development Block Grants (CDBG) set forth in the special message transmitted by the President to the Congress on February 5, 1986 under Section 1013 of the Impoundment Control Act of 1974; and

WHEREAS, The deferral order is deferring $500 million CDBG funds appropriated by the Congress for FY86 to FY87, thereby reducing the FY86 CDBG Entitlement by sixteen (16) percent; and

WHEREAS, The sixteen (16) percent deferral order has reduced San Francisco's 1986 CDBG Entitlement by $3.4 million in an already reduced 1986 program funds; and

WHEREAS, The reduction under this deferral order is in addition to the funding cuts triggered by the Gramm-Rudman-Hollings "Balanced Budget and Deficit Control Act"; and

WHEREAS, These funding reductions result in an overall cut of thirty-two (32) percent or $6.7 million from the City's 1985 Entitlement of $21.3 million, resulting in a $14.6 million Entitlement for 1986; and

WHEREAS, The CDBG funds are serving lower income persons in the City and in the areas of housing, human services, small business, economic development and community improvements; and

WHEREAS, This deferral reduction adversely impacts the City's ability to service 18,000 low income persons including

senior citizens, handicapped and disabled persons, children and youth, women, single heads of households, and ethnic and racial minority residents of the City; and

WHEREAS, The deferral order reduction causes the loss of approximately 860 jobs created through our housing, economic development and community facility construction and rehabilitation projects; and

WHEREAS, San Francisco needs the $3.4 million eliminated under the deferral order to continue its many existing programs delivered largely by non-profit organizations; and

WHEREAS, The National League of Cities et al has filed a lawsuit versus Samuel Pierce, Secretary of the U.S. Department of Housing and Urban Development (HUD) seeking to declare invalid and restraining implementation of the deferral order on CDBG and other HUD programs; now, therefore be it

RESOLVED, That the City Attorney is authorized to enter an appearance for the City and County of San Francisco in support of the National League of Cities in the above referenced case.

(Access to Adjacent Property)

CONSENTING TO THE TEMPORARY RIGHT OF ENTRY ONTO ADJACENT PROPERTY FOR REPAIR AND RECONSTRUCTION.

WHEREAS, Joseph and Diane Ehrman (the "Ehrmans") own and for 15 years have resided in the house located at 30 Scenic Way (formerly 34 Scenic Way) in the City and County of San Francisco (the "Ehrman House"); and

WHEREAS, the lot adjacent and immediately to the east of 30 Scenic Way is located at 24 Scenic Way (the "24 Scenic Way Lot"); and

WHEREAS, under certain circumstances Section 1002 of the Civil Code authorizes private owners of real property to exercise the power of eminent domain to acquire a temporary right to enter upon adjacent property to effect repairs to their own property; and

WHEREAS, for the purpose of performing certain necessary maintenance and repairs to the Ehrman House, the Ehrmans have asked the Board of Supervisors to enact a resolution pursuant to Sections 1245.310, et seq. of the Code of Civil Procedure and Section 1002 of the Civil Code making certain findings regarding the Ehrmans' need to enter onto the western eight feet of the 24 Scenic Way Lot; and

WHEREAS, the Board of Supervisors seeks to protect the appearance and value of the neighborhood in which the Ehrmans' house is located and to protect the health and safety of the residents in the neighborhood; and

WHEREAS, the provisions of Section 1245.350 of the Code of Civil Procedure regarding the appropriate hearing and notice of hearing have been complied with; now, therefore, be it

RESOLVED, that the Board of Supervisors makes the following findings:

1. Unless the Ehrmans are able to paint, repair cracks in and otherwise maintain and prevent the deterioration of the exterior of the Ehrman House, the appearance of said house will suffer and, in turn, the appearance and value of the neighborhood in which said house is located will diminish.

2. The exhaust fan in the kitchen of the Ehrman House is essential to the health and safety of the occupants of said house, is located on the eastern wall of said house and cannot be maintained or repaired without access to the exterior of said wall.

3. The eastern side of the Ehrman House is situated only one foot from the property line which runs along the eastern side of the lot on which said house is situated.

4. It is necessary that the Ehrmans maintain the appearance of the exterior of the Ehrman House and that they maintain said exhaust fan in good working order and repair.

5. Unless the Ehrmans are permitted to enter upon the western eight feet of the 24 Scenic Way Lot, they cannot either (a) paint, repair cracks in or otherwise maintain and prevent the deterioration of the exterior of the eastern side of the Ehrman House, or (b) maintain in good working order or repair said exhaust fan.

6. Each of the conditions required by Section 1002 of the Civil Code appears to exist; and be it further

RESOLVED, that, subject to the procedural requirements of Section 1002 of the Civil Code and Sections 1245.310, et seq. of the Code of Civil Procedure, the Board of Supervisors consents to the temporary entry by Joseph and Diane Ehrman onto the western eight feet of the 24 Scenic Way Lot for the purpose of painting the exterior of the east side of the Ehrman House and of repairing and maintaining the exhaust fan also located there.

RESOLUTION ENDORSING THE PRINCIPLES CONTAINED IN THE THIRD DRAFT OF THE PROPOSED JOINT POWERS AGREEMENT REGARDING TRANSIT SERVICE IN THE PENINSULA CORRIDOR; AUTHORIZING MEMBERSHIP OF THE CITY AND COUNTY OF SAN FRANCISCO IN THE PENINSULA RAIL ASSOCIATION TO BE CREATED UPON THE EFFECTIVE DATE OF SAID AGREEMENT; AND APPROVING AND AUTHORIZING HER HONOR, THE MAYOR, TO EXECUTE SAID AGREEMENT.

WHEREAS, The need for transit service along U.S. Highway Route No. 101 and U.S. Highway Route No. I-280 in the Peninsula Corridor that is fully integrated with other services on or adjacent to the Corridor is continuing to grow; and

WHEREAS, Significant portions of Routes 101 and I-280 are at capacity without any realistic means of expanding those highways; and

WHEREAS, In response to Senate Concurrent Resolution 74 in 1984, the Metropolitan Transportation Commission (MTC) prepared a Peninsula Mass Transit Study, and such study projected a 30% increase in travel demand in the Peninsula Corridor by the year 2000; and

WHEREAS, The MTC study concluded that, if existing commute service provided by the Southern Pacific Transportation Company and subsidized by the California Department of Transportation (Caltrans) was eliminated in the year 2000 without any substitute service, approximately 2,200 additional vehicles would be destined to and from San Francisco on Route 101 alone every day during the peak commute period; and

/ / /

/ / /

/ / /

WHEREAS, In testimony before the Interstate Commerce Commission in 1977, Caltrans staff estimated that the discontinuance of existing commute service would entail an increase of approximately 150 automobile accidents per year on Routes 101 and I-280; and

WHEREAS, The MTC study further concluded that institutional changes need to be made if any alternative to existing commute service is to be selected and implemented; and

WHEREAS, The MTC study accordingly recommended, as the most expeditious route towards significant rail improvements, the formation of a Joint Powers Agency to provide an organizational structure and public forum for the development of short-term and long-term transportation plans for the Peninsula Corridor, and to provide for the financing and implementation of such plans; and

MEMORIALIZING THE STATE LEGISLATURE TO OPPOSE A.B. 4181 (BADER) WHICH WOULD IMPOSE MAJOR RESTRICTIONS IN THE LAW OF DEVELOPMENT FEES

WHEREAS, Current planning and zoning law authorizes cities and counties to impose fees on development for public capital facilities or improvements; and

[Small Business]

SUPPORTING OF THE UNITED STATES SMALL BUSINESS ADMINISTRATION

WHEREAS, The United States Small Business Administration was established to address the unique needs and concerns of America's small businesses; and

WHEREAS, The United States Small Business Administration has provided counsel and assistance for millions of persons wanting to start their own enterprises, and also for those persons who have encountered problems while operating their existing businesses; and

WHEREAS, America's small businesses are in greater need today than ever before of the services of The United States Small Business Administration as a result of the fact that they are:

(a) experiencing severe economic problems caused by unaffordable or unavailable insurance coverage;

(b) bearing a disproportionate share of the tax burden;

(c) unduly burdened by excessive federal regulations and paperwork;

(d) being charged greater interest rates and loan fees for capital than competing larger businesses;

(e) not receiving their fair share of federal contracts for goods and services;

(f) being adversely impacted by the accelerating number of anti-competitive or monopolistic mergers and acquisitions, as well as unreasonable vertical restraints; and

WHEREAS, The Senate Republican leadership of the Congress and the Administration reached agreement in 1985 to preserve the Small Business Association's basic core of credit, management assistance and disaster loan programs, while coming up with more than $2.8 billion in budget outlay reductions over fiscal years 1986-1988; and

WHEREAS, the small business men and women of the United States create 70 percent of all new jobs and the majority of all innovations in this country; and

WHEREAS, we recognize the critical role that our small businesses play in our society; and

WHEREAS, the Congress of the United States has enacted legislation approved by the President calling for the convening of a White House Conference on Small Business prior to September 30, 1986; now, therefore be it

RESOLVED, that the Board of Supervisors support enactment of legislation approved by the President and pending in the Senate Finance Committee that calls for the convening of a White House Conference on Small Business and urge the President of the United States and the Congress to do the following:

1. Continue The United States Small Business Administration as an independent agency with an adequate budget to provide essential services to America's small businesses; and

2. Set as one of the top priorities of the 1986 White House Conference on Small Business a review and recommendation to the President and the Congress a list of the activities of the United States Small Business Administration which it feels are essential for the well-being of America's small businesses; and be it

FURTHER RESOLVED, that copies of this resolution be immediately transmitted by the Mayor to the President of the United States, President Pro Tempore of the United States Senate, Speaker of the House of Representatives of the United States and each member of Congress.
